Linda, I suggested 1 pm because it looks clear for Brenda, Lucy and me to call in—if adding phone participants works for Kilmer's office. When I hear back from their office, I'll send a calendar invitation.--Cindy

Bremerton on that Monday or Wednesday works for both of them. What if Linda meets with them there? Brenda, Lucy and/or I could possibly join by phone.--Cindy

I am available, however, it should be fine if just Linda meets with them to decrease travel cost for me to get to Bremerton. If in Seattle or Tacoma, I could be there. Brenda

Nicholas says that he and Cheri Williams (Constituent Services Director, Bremerton) could meet, but probably not before the week of July 17. They could come to our office, though Bremerton and Tacoma (their locations) are also possibilities. I'll rely on your electronic calendars, unless you say otherwise!--Cindy

Linda and Brenda,

Thank you both for forwarding the initial letter from Congressman Kilmer's office. As I mentioned to Brenda on the phone, their initial congressional office contact on this was Stasha Dennard in Bremerton, followed by Judith Morris in Port Angeles. It appears that both have left their positions, so I've contacted Nicholas Carr to see if their contact(s) would be him and/or Andrea Roper, and what location (Seattle, Bremerton, Tacoma?) might work for a meeting. I'll let you know when I hear back.

Cindy

Linda and Brenda,

Could one of you please forward the letter to me, or send me the entire CMS number (with the beginning letters)? I'm not readily finding it. Coincidentally, I'm setting up EPA participation in a July 18 meeting in Olympia, requested by Nicholas Carr, on a North Mason County sewer project.

Cindy,  
Linda and I would like your support to set up a meeting with Representative Kilmer's office about CMS 16-001-1035. We have completed most of the work and will be ready to provide Mr. Kilmer's office with the outcome of our efforts on or about July 17. Please let us know if you need additional information.

Regards, Brenda
